General expirience:

More than 20 years, last 15 years in Morocco
as inspector of table games

Main activities and responsobilities

Takes and pays out bets or otherwise assists at a gambling table. Working in command I was constantly improved and was reaching the purposes which were put by factory managers. I always worked overtime when it was required. To be on time at work, always appear in a clean uniform, with good looking hands and nails. Always smile and stay positive to make a good working environment for my colleagues and customers to feel good around me. To be able to follow requests from the company. And always have a great attitude toward everyone. Ability to work in multitasking mode.

Additional information

I have much experience of multicultural communications. I am usually very understandable person, friendly and casygoing. I like to work in a inendly environment and to communicate with all my colleagues in a nice and friendly way.
